EXPERIENTIAL DINING

Do you like fine food and great service? Then we look forward to seeing you at the stylish Vavřinec restaurant. We specialise in dry-aged meats, which are prepared on an X-Oven grill with closed chambers and charcoal made of mangrove wood. As a result, the meat retains its natural flavour and you are served the perfect, unforgettable steak.

Even those who don't enjoy meat will find something to their liking. The menu includes dishes suitable for vegetarians and vegans.

Doubtless, you will notice the wide range of premium rums at the bar. You can also choose from our well-stocked wine cellar.

Escape game: Alarm in the Sudetenland

The story of an aircraft that crashed beneath Sněžka Mountain during the Second World War comes alive with the discovery of a closed backpack. Only one pocket remained open. Solving the first task points in the right direction and opens another pocket. Walk the less-frequented trails around Pec pod Sněžkou, discover history and have fun solving tasks and quizzes.

Group e-bike tour: Giant Mountain breweries

It only takes a while to reach the Trautenberk brewery in Malá Úpa on e-bikes. What's more, you will ride through beautiful landscapes where you've probably never been before. Expect stunning views, rushing creeks, rustling forests and, once you reach Malá Úpa, a peek behind the scenes of beer production at a small local brewery, as well as a tasting of various beer types.

SCHULTE[®]
/ GROUP

Schulte Group a.s.

„On behalf of Schulte Group a.s., I would like to thank you for your cooperation in our winter teambuilding. Our company expands every year, and it is not always easy to find suitable facilities for our teambuilding events to accommodate everyone. Your hotel offered us everything we needed, for the second time now. Beautiful accommodation, indoor parking, excellent food and perfect staff who were on hand for us in every situation. Just like last time, we were satisfied beyond measure and we look forward to our future cooperation.“

Mbank

„More than twenty colleagues from mBank spent a fantastic two days at Aparthotel Svatý Vavřinec. We combined the working part with relaxation, during which part of the group went to the wonderful wellness centre and the other hiked the hills surrounding Pec pod Sněžkou. Throughout our stay, the kitchen and restaurant staff took care of our appetites, so nobody suffered from hunger or thirst. We would love to repeat this experience again sometime in the future.“
